Cochet Païs Architecture (<https://www.cochetpais.com/fr/index>) is a family-owned design studio created by Yannick Cochet and Gregory Païs that has developed many amazing projects (<https://www.parisdesignagenda.com/discover-the-timeless-interiors-by-cm-studio-paris/>) throughout their years of experience. Founded by an interior designer and a project manager (<https://www.parisdesignagenda.com/admire-exquisite-settings-french-designers/>), they thrive on unique complicity and are always able to complete each other with their skills. Today, Paris Design Agenda (<https://www.parisdesignagenda.com/trending-design/>) is about to let you know what makes this design studio so special!

Cochet Païs Architecture is a family-owned design studio (<https://www.parisdesignagenda.com/champeau-and-wilde-designed-a-classical-apartment-in-paris/>) created by Yannick Cochet and Gregory Païs, two cousins (an interior designer and a project manager) that benefit from unique complicity and bond. Their studio is located in the heart of the French Riviera, in Cap d'Antibes, featuring a multidisciplinary team of architects, interior designers, and decorators (<https://www.parisdesignagenda.com/admire-montreals-four-seasons-by-gilles-and-boissier/>) that love refurbishing every space.

Respect for humankind and the environment is their motto and it's present in every project they accomplish, from a yacht to a luxury villa. With projects (<https://www.parisdesignagenda.com/behold-this-amazing-retreat-in-kawanaga-by-christian-liaigre/>) all over Europe, Cochet Païs Architecture creates spaces that are as beautiful as they are functional. They also specialize in residential high-end but also in some prestigious commercial and multi-residential projects (<https://www.parisdesignagenda.com/gaze-at-gerard-faivres-project-on-a-luxury-parisian-apartment/>).

One of their most recent projects (<https://www.parisdesignagenda.com/jacques-grange-and-nicky-haslam-present-a-classic-decor-project/>) was the IK Appartement located in Cannes. This project sat on the elevation of the building to achieve an additional level to create a total of 250m² duplex facing the port of Cannes. There was a gold and black theme throughout this project, with a bold and luxurious choice of bespoke pieces of furniture (https://www.bocadolobo.com/en/products/?utm_source=blog&utm_medium=article-text&utm_content=parisdesignagenda-cochetpa%C3%AFsarchitecturethepowerof&utm_campaign=topID&utm_term=ialmeida).

The project has several pieces from top luxury brands like Fendi and Lasvi, but the truly showstopping pieces are from Boca do Lobo (https://www.bocadolobo.com/en/catalogs-finishes/?utm_source=blog&utm_medium=article-text&utm_content=parisdesignagenda-cochetpa%C3%AFsarchitecturethepowerof&utm_campaign=topID&utm_term=ialmeida). The Lapiaz center table (https://www.bocadolobo.com/en/coolors-collection/coffee-and-side-tables/lapiaz/?utm_source=blog&utm_medium=article-text&utm_content=parisdesignagenda-cochetpa%C3%AFsarchitecturethepowerof&utm_campaign=topID&utm_term=ialmeida) and the Symphony sideboard (https://www.bocadolobo.com/en/limited-edition/sideboards/symphony/?utm_source=blog&utm_medium=article-text&utm_content=parisdesignagenda-cochetpa%C3%AFsarchitecturethepowerof&utm_campaign=topID&utm_term=ialmeida) completely steal the show in the incredible living room. Also, from LUX XU (https://www.luxxu.net/products/charla-dining-chair/?utm_source=blog&utm_medium=article-text&utm_content=parisdesignagenda-cochetpa%C3%AFsarchitecturethepowerof&utm_campaign=topID&utm_term=ialmeida), the dining area is completely embellished with the amazing Charla dining chairs (https://www.luxxu.net/products/charla-dining-chair/?utm_source=blog&utm_medium=article-text&utm_content=parisdesignagenda-cochetpa%C3%AFsarchitecturethepowerof&utm_campaign=topID&utm_term=ialmeida).
